Annual Renewal Pricing

Continued Support and Updates: Annual support renewal licenses are available to continue your receiving technical support and updates. If you choose not to renew your license, your LegalPRO programs will continue to operate, but with limited functionality: e.g., you will not be able to add new cases in BankruptcyPRO; you will not be able to download new mail or enter new events on the calendar within I-Got-Notices; or you will not be able to enter new transactions in DoingTIME. We recommend you keep your license current to help ensure that you are not only compliant with the ever-changing Bankruptcy Code and Official Forms requirements, but you'll also get all the new features as soon as they become available.

Customer Support is available Monday - Friday 8:30 a.m. - 6:30 p.m. (CST).
